

Professional Bodyshop Detailer

CLEAN FINAL INSPECTION SPRAY

SILICONE-FREE CLEANER AND DEGREASER

PRODUCT DESCRIPTION

G3 Pro Bodyshop Detailer is a bodyshop safe, water-less cleaner for bodywork, plastic and chrome. It quickly removes compound residue as well as bird lime, sap, dust and fingerprints.

For light to heavy dirt, use liberally with a clean, dry microfibre cloth. For ingrained dirt, such as tar, bugs and fallout, use liberally with a G3 Pro Deep Clean Clay Mitt.

TECHNICAL INFORMATION

Appearance: colourless liquid VOC Content: 2.0g/L Relative Density: 1.0

pH: 7.0 Silicones: no FINAL INSPECTION SPRAY

CLEANER AND DEGREASER

SILICONE-FREE

Spray onto a clean, dry microfibre cloth

Wipe over small areas at a time

Buff off immediately with a clean, dry microfibre cloth

Alternatively, use liberally with **G3 Pro Deep Clean Clay Mitt** to remove ingrained dirt particles which can cause dulling / fading over time.
