

MOTIP Bearing Grease

Ord.-no.: 000276

Technical Information

Prevent wear and sticking of bearings on your bike with MOTIP Bearing Grease. Bearing Grease is a lithium-based grease for all bearings, in a special dispenser for user-friendly and economical dosage. Bearing Grease has a high-viscosity and prevents wear and clamping. Bearing Grease has an excellent anti-corrosion effect and is water-repellent.

Quality & properties

- Outstanding mechanical and thermal stability
- High viscosity
- Excellent adhesion
- Prevents wear and sticking
- Resistant to weather influences
- Resistant to weak acids and bases
- Excellent corrosion prevention
- Water-repellent

Physical & chemical data

- Base: Lithium EP-2 Grease
- Colourname: beige
- Smell: Characteristic
- Surfaces: Bearings (Bike)
- Minimum Working Temperature: 10 °C
- Maximum Working Temperature: 25 °C
- Vapour pressure: 3500/20 bar
- Relative density: 0.9 g/ml
- Storage stability: 10 y
- Content: 200 ML

How to use

- Before use, carefully read the directions on the packaging and act accordingly
- The aerosol should have room temperature.
- Best processing temperature 10 to 25°C.
- Disassemble the bearings to be treated
- Clean with MOTIP Industrial Cleaner.
- Apply bearing grease.

Environmentally sound

European Aerosols is committed to apply formulations without restricted or critical ingredients and to achieve best possible performance. The caps and packagings are made of recyclable material.

Disposal

Only the completely emptied cans should be put into the recycling skip or appropriate container for reclaimable refuse. Cans which are not empty should be disposed off as "special refuse".

Marking/Labelling

All products made by European Aerosols comply with the actual labelling regulations according to Preparation Guideline 1999/45/EG. All aerosols correspond to TRGS 200 and TRG 300 as well as to aerosol guideline 75/324/EWG in the actually valid version.

For any further technical questions call our hotline +31 (0) 561 69 44 00 from Monday to Thursday from 9 h a.m. to 3 h p.m. or on Friday until 12 h p.m.

As of August 17, 2022 – This release replaces all eventually earlier issued versions.
