Valvoline™ Electro Protect	
Contents	500 ml
Basis	Mineral Oil
VOC-content	Approx. 85% w/w
Colour	Transparent
Scent	Characteristic
Relative density at 20°C	0,802 g/ml
Yield	1,9 g/sec
Refractive Index at 20°C	1,444
Vapour pressure at 20°C	3 to 4 bar
pH-value	Neutral

This information only applies to products manufactured in the following location(s): Europe

Health & Safety

This product is not likely to present any significant health or safety hazards when properly used in the recommended application and good standards of personal hygiene are maintained. Reference is made to the Safety Data Sheet (SDS) which is available on request via your local sales office or via the internet <http://sds.valvoline.com>

Protect the environment

Take used chemicals to an authorized collection point. Comply with local regulations. Do not discharge into drains, soil or water.

Storage

We recommend to store all packages under cover. In case outside storage is unavoidable, drums should be laid horizontally to avoid the possible ingress of water and damage to drum markings. Products should never be stored above 60°C, exposed to hot sun or freezing conditions.
