Our DNA.

Sonic Equipment is **the specialist** in high-quality hand tools, filled toolboxes and premium storage solutions.

Our goal is to provide the perfect solution for technical professionals, enabling them to excel in their daily job with joy and satisfaction.

Efficiency

The perfect solution for you:

We offer the right balance between design, quality and price.

Style

Join the winning team:

Our products are tested and proven by winners.

Support

We take care of you:

Our team is there to support you and always ready to go the extra mile.

After years of hard work and extensive research, we are proud to introduce **the Sonic NEXT toolbox series**. This new product line has been updated in every single detail. All toolboxes feature a durable powder coating with a premium finish, are fitted with stylish molded bumpers and...

...are complemented by a redesigned worktop. Experience the benefits of maximized storage space, smooth maneuverability and extreme durability thanks to our new heavy-duty casters and high-capacity telescopic drawer slides.

The future of toolboxes is here. Are you ready?

SFES

SONIC FOAM SYSTEM

Ready for your perfect Sonic toolbox?

Sonic offers filled toolboxes for every level of expertise.

We classify our range based on four labels that indicate the recommended toolbox configuration:

Basic, Intermediate, Advanced and **Expert.**

B Basic

The Basic badge classifies a complete solution for starting technicians.

I Intermediate

The Intermediate badge classifies a complete solution for skilled technicians.

A Advanced

The Advanced badge classifies an advanced solution for seasoned technicians.

E Expert

The Expert badge classifies an extensive solution for the most experienced technicians, who are up for any challenge.

Sonic Foam System - NEXT level efficiency

Along with the NEXT toolbox series, Sonic has improved its entire range of filled foam inlays, bringing next level efficiency to professionals worldwide. All foam inlays have thoroughly been reviewed, re-designed and updated with the latest tools and technologies available. Enjoy the perfect selection of tools, easily accessible and right where they need to be.
