

**The new  
multi-talent**

Reliable and robust for off-road  
and the highway:  
**Trucklight Maxlife from Bosch**

**BOSCH**

Invented for life

# A Trucklight for every situation:

## Full speed ahead for all commercial vehicles

A long service life and robust design – Trucklight Maxlife from Bosch is the professional bulb for extremely diverse requirements. It is ideal for trucks and buses that clock up a lot of miles on the highway, day in, day out. It is perfect for all commercial vehicles that face the toughest challenges in off-road use.

The Trucklight range from Bosch is available for all requirements and areas of use, and for almost all types of commercial vehicles:

Part number	ECE type	Version	Rated voltage	Rated power	Base	EAN code
