

K2 ALASKA MAX

EXPRESS DE-ICER

Index: K603, K605, K607, K608

DESCRIPTION

Super effective window and mirrors de-icer. It has high reputation on the market for over 20 years. De-frosts the glass surface immediately, even at -70°C . Special nanoparticles results in easier removal of ice in the future. It is safe for paint and rubber parts.

USING DIRECTIONS

Spray onto frosty glass. After the ice has melted, immediately wipe till dry with cloth or wiper blades. Use scraper to remove thicker layer of ice or snow prior to spraying.
